

Personal Experience Matters

Graduated from Penn State University in 1991 with a Bachelor of Science in Mathematics.

In 1993, I first started my career in escrow and my life changed forever. Approximately a year later, I was promoted to Escrow Officer.

By 2006 I was closing refinance, resale, builder, and commercial transactions. I was also the only Escrow Officer in Nevada that could close Fannie Mae transactions.

25 years later, still loving Escrow!
